Competency Hearing - Plaintiff requests that subject to the findings by Dr. Low, defendant be detained for four months to attempt to restore his competency. Defendant's counsel states that he has submitted a motion to withdraw from the case. Mr. Modeleski objects to the hearing as a whole due to lack of notification. He strenuously objects to the request of the Plaintiff because he has not seen the report. Court grants the motion to withdraw as counsel. Mr. Modeleski will have a new attorney appointed. The competency hearing will be continued. Competency hearing reset on 6/24/14 at 1:30 p.m.
